

TELEPHONE DEALING SERVICE

For the purposes of this Service your contract and legal relationship is with us and we will treat you as a Retail Client. We will provide this telephone dealing Service to you if you are a shareholder holding shares in a company for which we act as registrar and if you are an individual aged 18 years and over.

If you are resident in, or a citizen of, a jurisdiction outside the United Kingdom or Ireland and wish to use this Service, it is your responsibility to inform yourself about and observe any applicable legal requirements. You may verify your eligibility over the phone. You may use this Service to sell your shares if you hold a share certificate in respect of your holding or shares in an Issuer Sponsored Computershare Nominee Account. Single and joint accounts are permitted. We use TD Direct Investing (Europe) Ltd (TDI) to provide trading facilities and hold client money on an outsourced basis in connection with this service.

This Service is offered on an execution only basis. You should ensure it meets your own requirements. These terms and conditions do not constitute a recommendation to buy, sell or hold shares. If you are unsure of what action to take you should seek independent professional advice. Please note that the value of shares and the income from them may go down as well as up, which may result in you receiving less than you originally invested.

2. Customer Disclosure

In accordance with the regulatory requirements we have implemented the Best Execution Policy that details the arrangements we take to ensure you receive the best possible result taking into consideration all the execution factors.

The Best Execution Policy sets out these factors and includes detail on our execution criteria, Execution Venues to be used and our approach to the different types of client instructions we can receive. It is intended that this information will enable you to make an informed choice about the nature of this Service.

It is a condition of this Service that you will provide us with your consent to the Best Execution Policy and agree to be bound by these terms and conditions. A full copy of the policy is available upon a written request made to: Computershare Telephone Share Dealing Service, Exchange Court, Duncombe Street, Leeds, LS1 4AX.

3. How to use the Service

When you telephone us on our dedicated share dealing Service number, we will ask you to tell us what deal you want to place. We will repeat your instructions back to you. If you do not think that those instructions are correct you must tell us and ask us to make any changes you require. If you do not make any changes, then we will execute the instructions on the basis of the last set of instructions repeated back to you. This will apply whether you confirm that the instructions are correct or remain silent. Once we have accepted instructions to buy or sell shares on your behalf that instruction is irrevocable. You may not subsequently change or revoke your instructions.

4. How and when we will buy or sell your shares

- If you place an At Best instruction we (or the Broker on our behalf) will normally check the market price and place the deal when you are on the telephone. Sometimes, however, it may be necessary to delay the placement of your deal. If this happens we may not be able to confirm the deal on the telephone. The market price for shares can change at any time and it may be possible that the price at which your shares are bought or sold is higher or lower than the price originally quoted to you on the telephone.
- We will not accept a purchase instruction for any transaction with a total value including all charges and tax in excess of £25,000 or €35,000.
- In accordance with our Best Execution Obligation, we may consider at our discretion that it is in your best interests for the trade to be executed outside regulated market or multilateral trading facility. Your express prior consent is required as part of the terms and conditions of this Service.
- We will arrange for the Broker to send you a Contract Note for all executed dealing instructions placed through this Service, by no later than the Business Day, following the Business Day upon which the trade is executed. If there are any details with which you disagree or are unsure you must contact us immediately on the number appearing on the Contract Note.
- The Contract Note will show the date on which your transaction is due to settle. If you are a certificated shareholder the settlement period using this Service is T+10; that is, the transaction will normally settle 10 Business Days after the date on which the trade was dealt. If you are a shareholder of shares held in an Issuer Sponsored Computershare Nominee Account, the settlement period for using this Service is T+3 for sales and T+10 for purchases; that is, the transaction will normally settle 3 Business Days after the date on which the trade was dealt for sales and 10 Business Days for purchases.
- We will not be held liable or responsible for any delay in the settlement of a transaction resulting from circumstances beyond our control, or the failure of any party (including you) other than ourselves, to complete all necessary steps to enable settlement to take place on the Settlement Date.
- All deals will be placed on an individual basis. You will not be permitted to batch together a number of sale or purchase instructions.
- We may delay any sale of your shares pending receipt of your share certificate. We reserve the right to delay taking any action on any particular instructions from you if we consider that we need to do so to obtain further information from you or to comply with any legal or regulatory requirement binding on us (including the obtaining of evidence of identity to comply with money laundering regulations), or to investigate any concerns we may have about the validity of or any other matter relating to the instruction.

5. Selling your shares

- When you give us an instruction to sell your shares you represent to us that you own the shares or have the right to sell them and that no other person has any rights, interests or

charges in or over your shares. You also represent that you have not instructed any other stockbroker or dealing service to sell those shares.

- If you have lost or mislaid your certificate you cannot use this Service until you have obtained a letter of indemnity or a duplicate share certificate.
- If you instruct us to sell shares with a value greater than £50,000 or €60,000 your deal may be delayed whilst the Broker obtains permission from us to execute the trade.
- The Broker will endeavour to obtain permission for the trade to be executed whilst you are on the phone.
- We will execute your trade in pounds sterling ("GBP").
- For some shares you may elect to receive settlement in euro. If so, we will execute your trade in GBP and apply an exchange rate to convert the gross consideration into euro. We will then apply any applicable charges in euro, and your net contract total (i.e. the amount you will receive) will also be in euro.
- The foreign exchange rate for all currency conversion is based on the mid-market exchange rate, to which the Broker will apply a spread of up to +/- 1.5% applied at the trade date. The exchange rate used will be provided to you at the time of the trade, and in placing your order you also accept that exchange rate. The exchange rate that applies to your instruction will be the one applicable at the time the trade is executed.
- You are required to send your share certificate and any transfer form together with any applicable documentation (for example a marriage certificate or power of attorney) to the address appearing on the Contract Note, so that it reaches us at least 4 Business Days before the Settlement Date.
- If we do not receive your share certificate, a valid signed transfer form or a Letter of Indemnity within this time limit, we will try to contact you to establish why this documentation has not been received, but reserve the right to buy back the shares on your behalf at £40 fee plus commission
- If settlement is delayed or cancelled as a result of late delivery by you of the necessary documentation you will be required to pay any additional costs (including any increase in the value of the shares between the shares being sold and then repurchased), which are incurred by us or by the Broker on our behalf.
- Provided that we have received and accepted your share certificate and any transfer forms at least 4 Business Days before settlement, you will be sent your sale proceeds by cheque net of any tax, fees and commission payable on the transaction on or about the day of settlement of the sale.
- If we receive your documentation later than 4 Business Days before the settlement day, your cheque may be despatched later than settlement day.
- The cheque will be made payable to the registered holder of the shares. We will not accept any instructions to make cheques payable to anyone other than the persons whose name appears on the register. Neither we, nor the Brokers who may be acting on our behalf will make any payment to you until funds have been received from the requisite parties.
- If you receive a benefit (e.g. a dividend), which relates to shares you have sold, you may have to account for this benefit to the new owner of the shares. We will contact you if we are aware that this is necessary. If we are aware of a claim at the time when we receive the money we may deduct any relevant amount from the proceeds of sale.

6. Buying shares

- In order to ensure that cleared funds are available to permit settlement of your trade, you must send a valid cheque for the sum stated on the Contract Note, to the address appearing on the Contract Note, to arrive at that address no later than 4 Business Days before the Settlement Date. You can only request to invest a maximum of £25,000 or €35,000.
- Your cheque must be drawn on an account of a UK or Irish bank or building society in your name. If the cheque is from a building society, the building society must stamp and endorse the cheque to show the name of the account from which the funds were drawn. Cheques should be made payable to the payee appearing on the Contract Note and crossed "A/C Payee". You represent to us that your cheque will be honoured on first presentation. We cannot accept cheques in the name of anybody who is not to be registered as the holder of the shares.
- If we do not receive your cheque by 4 Business Days before the Settlement Date we will try to contact you to establish why it has not been received, but reserve the right to sell the shares bought on your behalf at the prevailing market rate and charging you commission thereon at £40 fee plus commission. In addition you will be required to pay any additional costs, (including any loss in the value of the shares between the shares being bought and then resold) which are incurred by us or by the Broker on our behalf.
- The money, which you send to us, is used to cover the purchase price of the shares any stamp duty and/or stamp duty reserve tax and PTM levy.
- If you buy the shares using this Service and you do not receive a benefit relating to those shares to which you are entitled we may instruct the Broker to claim that benefit for you.
- A Nominee Account shareholder who purchases shares will automatically have those shares credited to their Nominee Account. Such shares cannot be held as a certificated holding.

7. General provisions

- If you fail to make a payment in full on or before the due date for payment we may immediately cancel, terminate and/or suspend any contract with you without having any resulting liability to you.
- We and/or the Broker may make other member firms of the LSE (or other relevant exchanges), other financial institutions and credit reference agencies aware of your identity and your payment record. Please note that this may affect your future ability to gain credit or to use a similar dealing service.
- We may choose not to act on any particular sale or purchase instruction. We will notify you immediately as soon as we decide not to accept a particular instruction.
- We reserve the right to take legal action against you in the recovery of a debt. You agree that you will be liable for all relevant costs and legal expenses incurred by us in the recovery of that debt.
 - If the sale of such investments realise a net value higher than the amount of monies due to us relating to the purchase of those investments, we shall be entitled to retain for our benefit this additional value. We shall not be required to apply it against any other monies or liability that you may have to us; or
 - If the sale of such investments realise a lower value than the amount of monies due to us relating to the purchase of those investments then the new difference in value shall become a debt due from you to us and payable immediately. In addition our charges and the costs of making such sale shall apply.
- The date upon which you become entitled to lose your entitlement to any benefit is established by the date on which the shares are traded on the relevant exchange, not the date upon which the transfer is registered by the relevant registrar.
- If you are sending an instruction under a power of attorney or a grant of probate you should indicate this fact and enclose the original power of attorney or grant of probate or a copy certified by a solicitor or public notary, which will be inspected and returned to you.
- We may aggregate your instructions with instructions we receive from other clients using this Service. The Broker may also aggregate the instructions we provide to it with instructions from its other clients. We will tell you at the time at which your instruction is taken if we intend to aggregate your instruction. This may result in a more or less favourable price than if your instruction had been executed separately. If the Broker executes a number of instructions for us on a particular day then the price obtained for all the instructions may be averaged if different instructions were dealt at different prices.
- We reserve the right to charge interest at £25 plus Bank of England base rate plus 15% on the full amount of any sums overdue from you. The parties to this agreement are you and us (the "parties"). The parties do not intend that any of its terms will be enforceable by virtue of the contracts (Rights of Third Parties Act 1999) by any person who is not a party to it.

8. Liability

We will take reasonable care in operating the Service, and will be responsible to you for any losses or expenses (including loss of shares) suffered or incurred by you as a direct result of our negligence, willful default or fraud. We do not accept liability for any indirect or consequential loss suffered by you or for any loss, which does not arise as a result of our negligence, willful default or fraud. We cannot take any responsibility for any fluctuation in the value of shares arising if execution of a trade is delayed as a result of a halt in trading on the relevant exchange.

Nothing in these terms and conditions restricts any rights you may have under the rules of the FCA or under The Financial Services Act 2012.
