

# Employee Online Guide – Swedish Orphan Biovitrum (Sobi)

## Sell and Transfer your shares online

## **1. Selling shares:**

- From your SOBI LTI Plan**
- From your ALLOCATED SHARES account**

## **2. Transferring shares:**

- From your SOBI LTI Plan**
- From your ALLOCATED SHARES account**

## **3. Our Fees**

## **4. Contact Us**

**If you want to sell your shares from your  
SOBI LTI Plan**

**Note: You will only be able to sell your  
invested shares before the expiration of  
the Lock-Up Period. Matching and  
Performance Shares may only be  
available to sell after the Lock-Up Period  
has finished**

## Step 1:

- › You are able to sell the shares you have invested in the SOBI LTI plan (1) or you can also sell already vested shares from your ALLOTTED SHARES account (2):

**NOTE:** Please note that if you sell your invested shares under any Sobi LTI plan before the expiration of the Lock-Up Period, you will no longer be eligible to the Matching and Performance shares of that specific program.

After the expiration of the Lock-Up Period, all shares linked to that plan are deposited in the **Allotted Shares** account. This includes the invested shares, as well as the matching and the performance shares.

**Therefore all shares from the Sobi LTI 2012 plan will now appear as Allotted Shares.**

**IMPORTANT NOTE::**

Share transfers to personal broker accounts, nominee holdings, the Direct Registration Service or share certificate are carried out at your own risk. It is not possible for Computershare to guarantee the successful delivery of your shares as we have no control over their safekeeping once they have been sent. For this reason Computershare will not be held liable in the event of any loss of shares, delivery delay or financial loss which may result. Where share certificates are lost in transit, the share holder will be responsible for all costs associated with the re-issue of these certificates. As share certificates have intrinsic value, re-issue involves an administration process to cancel the lost certificate, re-issue a new one and an indemnity against fraud involving the lost certificate. The costs of this process vary depending on the value of the lost certificate and will be paid entirely by the share holder.

Please select where you would like to transfer your shares to, from the drop down menu below.
