

NOTICE TO SHAREHOLDERS

As previously communicated, we are pleased to advise that Computershare has developed a fully hosted online communication management platform that enables fast and convenient access to inbound and outbound communication. We have enhanced the security features to ensure protection of your personal information and have opened an online Computershare account for you in Investor Centre. You will be able to access information regarding share prices, portfolio balances and update your personal details via the online portal once you have registered on our website.

In future bi-annual statements will be posted electronically to your Investor Centre share account. We will send a notice to you to let you know when we have uploaded a document and request that, in order to receive this notification, you update your email address and/or cellular phone number in your Investor Centre account.

Should you prefer to receive a hard copy of your bi-annual statement in paper form posted to your registered address, please notify us in writing or contact our Call Centre at the number listed below.

In future, we intend using the Investor Centre online portal for investor communication purposes. Should you require more information regarding Investor Centre, please contact our Call Centre.

CHANGE OF SETTLEMENT BANK

We advise that Computershare will change its bankers from First National Bank to Standard Bank with effect from **1 October 2018**.

Please contact our Call Centre at the number listed below to obtain the correct banking details which will apply to any transaction, settlement fees or deposits for the purchase of securities through the Deal Routing Service.

FEES

Please contact our Call Centre for full details or visit **open acustody and settlement account for JSE-listed securities** on our website to view our fee schedule. Should Strate increase its fees with the agreement of the market, we would also revise our fees accordingly. Strate's fees may be viewed on its website, www.strate.co.za.

RULES AND DIRECTIVES

We wish to remind you of your obligation to keep abreast of the changes to the Strate Rules, which can be viewed on its website, www.strate.co.za.

For your security, it is important that you keep us informed of any change to your personal details

SHAREHOLDER DETAILS

We would like to draw your attention to the importance of keeping us informed of any change to your personal details. Owing to the high risk of fraud, many companies have elected not to make payment by cheque. Future dividend payments will be effected by electronic funds transfer only. We therefore urge you to provide us with your banking details or any changes to these details as soon as possible. This will ensure you are not inconvenienced by not receiving your dividend payment. Please contact us at the number listed below to update your bank details, provide your tax number as well as for changes you want to make to any of your existing particulars.

ONLINE DEAL ROUTING FACILITY

We advise that our online facility to place sale transactions is available as an alternative to providing instructions via the Call Centre.

To use the facility you will have to register your account on our [website](#) and accept the Online Deal Routing Terms of Use. For any additional information, please contact our Call Centre.

DIVIDENDS TAX

From 1 April 2012, with the introduction of Dividends Tax in terms of tax legislation, dividends are taxed

in the hands of shareholders. Therefore, with effect from **1 April 2012** and where applicable, we have withheld the required Dividends Tax from your dividends and paid it to SARS on your behalf. **Please note that the rate of Dividends Tax increased from 15% to 20% with effect from 22 February 2017.** This legislation imposes an obligation on Computershare to record the tax numbers of shareholders. Should you require more information regarding Dividends Tax, please phone our Call Centre.

CAPITAL GAINS TAX CERTIFICATES AND DIVIDENDS TAX CERTIFICATES

We are unfortunately not able to provide a Capital Gains Tax Certificate for share sales because we seldom have information regarding the original purchase transaction. However, you will receive a transaction advice, with details of the share dealing transaction, which should be retained for tax purposes. A payment advice with details of dividends paid is sent to shareholders on or around the payment date. This advice should be retained and submitted for tax purposes. Computershare will not charge a fee for the initial advice, but an administration fee will apply if you request a copy of a tax certificate. Please contact our Call Centre for details of the applicable fees.

Bi-annual Statement Information

Should you require more information regarding Investor Centre, please contact our Call Centre

CHANGES TO CUSTODY AGREEMENTS

Computershare regularly updates its Terms and Conditions in order to comply with regulatory changes and advances in technology. We also continually review and streamline our procedures to keep abreast of modern trends and to provide a more efficient service to shareholders. Any changes to the Terms and Conditions or new regulatory requirements are communicated to shareholders in the biannual statements. In the absence of any objection to the changes, you are deemed to have accepted the amendments.

TAX FREE INVESTMENT ACCOUNT

A tax free product, using Exchange Traded Funds (ETFs) as the investment constituents, has been launched by Computershare with etfSA as the portfolio manager and financial advisor. Please go to the [website](#) or the Call Centre if you require further information regarding this product.
