If you provide an ID which is not the highest priority ID listed, then you are certifying that you are supplying the highest priority ID in your possession.

For corporate bodies, such as solicitors, banks and building societies, we only require the Legal Entity Identifier (LEI.) The other boxes may remain blank. If you are unsure if you're eligible for an LEI or require more information on applying for one, please visit [www.gleif.org](http://www.gleif.org)
